

# You're Welcome Back. But COVID Isn't.

We're excited to have everyone back in class. But COVID continues to pose a risk to our school community, and your safety is our biggest priority.

You're best protected against getting very sick with COVID and possibly needing hospital care when you're up to date with your COVID vaccine.

**For more information and to find vaccines near you, go to [vaccines.gov](https://www.vaccines.gov).**
