Together We Can Do This

THE COVID-19 VACCINATION IS AN IMPORTANT TOOL TO HELP STOP THE PANDEMIC IN OUR COMMUNITIES

When more American Indian and Alaska Native people living on tribal lands and living in urban areas wear masks and practice physical distancing, we help reduce the chance of being exposed to the virus that causes COVID-19 and spreading it to others. More can be done to protect ourselves by getting vaccinated.

Find vaccines near you: go to vaccines.gov, text your ZIP code to 438829, or call 1-800-232-0233.
