 - 3  **LEARN** to get facts about the COVID-19 vaccines
- You can share the information you get with any of your contacts by pressing  to the right of the text box.

Confront COVID-19 Vaccine Misinformation

During the COVID-19 pandemic, many people have been exposed to information that is false, inaccurate, or misleading. Misinformation has caused confusion and led people to decline COVID-19 vaccines, reject public health measures such as masking and physical distancing, and use unproven treatments. Use and share the [My Chat About COVID Vaccines](#) to combat misinformation about COVID-19 vaccines.
