# KEEP OUR SCHOOL SAFE

Get your free COVID-19 vaccine today to protect us all and defeat this virus.\*

Even mild cases of COVID-19 have caused damage to the lungs, heart, brain, and other organs. Young, otherwise healthy people can have health problems long after initial infection.

Getting vaccinated against COVID-19 is the best way to protect yourself and your family, friends, and school staff so you can safely get back to normal activities.

You have 3 easy ways to find vaccines near you:

- Visit [vaccines.gov](https://www.vaccines.gov)
- Text **your ZIP code** to **438829**
- Call **1-800-232-0233**

*\*Your state or jurisdiction may require parental/guardian consent for people under age 18 to get vaccinated.*
