

# PROTECT YOUR STAFF AND RESIDENTS WITH COVID-19 BOOSTERS

**A booster shot helps keep up protection. CDC recommends a booster shot for all people 12+ who:**

- ▶ **Got their Pfizer or Moderna 2nd dose more than 5 months ago;**
- or**
- ▶ **Got their Johnson & Johnson dose more than 2 months ago.**

**To schedule a vaccination clinic at your facility or nearby, reach out to your vaccine provider. If you need support:**

- ▶ **Contact your state or local health department**
- ▶ **Call CDC INFO at [800-232-4636](tel:800-232-4636) to be matched with a vaccine provider for an on-site clinic**
